

Call for Presentations

2017 Oklahoma Engineering Conference

June 15-16, 2017

Moore Norman Technology Center

Oklahoma City

DEADLINE TO SUBMIT PROPOSALS:

FEBRUARY 15, 2017

The Oklahoma Society of Professional Engineers is now accepting workshop/session proposals for the 2017 Annual Conference to be held at the Moore Norman Technology Center in Oklahoma City.

The Annual Oklahoma Engineering Conference consists of training session and workshops, general interest sessions, social events, and networking opportunities for members and non-members of OSPE, a state society of the National Society of Professional Engineers. The Conference attendees will include professional engineers from all cities and counties in Oklahoma as well as engineers with diverse background and work environments, including industry, government, education, construction, and private practice.

The purpose of the workshops, seminars, and sessions is to provide continuing education courses that will allow OSPE members to meet continuing professional competence requirements for PE license renewal, as required by the Oklahoma State Board of Licensure for Professional Engineers and Land Surveyors. These sessions should focus on topics of interest to engineers from all engineering disciplines and work environments. Each session should be approximately 60-90 minutes in length and **should not be a “commercial” for your company.**

Example topics from past conventions include:

- Professionalism
- Ethics
- Leadership Development
- Writing and Communication Skills
- Business Planning
- Marketing Professional Services
- Project Management
- Cultural Diversity
- Stress Management
- Impact of Technology on Society
- Professional Liability
- Use of Technology and Engineering for Large Construction or Engineering Projects

If you are interested in presenting at the 2017 OSPE Annual Conference, please send an email expressing interest to:

Richard Willoughby, PE OSPE VP of Education at okpe21105@gmail.com or

Kris Sanders, OSPE Executive Director at ospeinfo@ospe.org.

Include the following items and attachments (MS Word format) in your email:

- Contact information (including address, phone, fax, and e-mail) for all presenters.
- Type of presentation (lecture, interactive, video, etc.) and typical audience for presentation
- Abstract of workshop / session (50-100 word description to be used for conference publicity and agendas)
- Detailed description of the workshop / session...may include brochures, literature, etc.
- Biography for the main presenter (approximately 250 words or less) Please do not submit your resume.

The deadline for submission of all proposals is: February 15, 2017.

Questions concerning this Call for Presentations may be directed to Richard Willoughby, PE or Kris Sanders.
