

# Call for Presentations

2019 Oklahoma Engineering Conference

June 20 – 21, 2019

Metro Technology Center

1900 Springlake Drive, Oklahoma City, OK 73111

**DEADLINE TO SUBMIT PROPOSALS**

**FEBRUARY 15, 2019**

The conference is open to members and non-members of OSPE. Attendees will be able to obtain 15 PDHs and network with engineers and companies. This year companies who sponsor booths will be highlighted more thoroughly during the conference.

Attendees will include engineers from industry, government, education, construction, and private practice, therefore presentations should focus on topics of interest to a wide audience. Each presentation should be approximately 60-90 minutes in length and **should be technical, not a “advertisement” for your company.**

## Example Topics from Past Conventions Include:

- *Professionalism*
- *Ethics*
- *Leadership Development*
- *Writing and Communication Skills*
- *Business Planning*
- *Marketing Professional Services*
- *Project Management*
- *Cultural Diversity*
- *Stress Management*
- *Impact of Technology on Society*
- *Professional Liability*
- *Use of Technology and Engineering for Large Construction or Engineering*

If you are interested in presenting, please send an email expressing interest to:

Richard Willoughby, PE OSPE VP of Education at [okpe21105@gmail.com](mailto:okpe21105@gmail.com) or

Kris Sanders, OSPE Executive Director at [ospeinfo@ospe.org](mailto:ospeinfo@ospe.org).

Include the following items and attachments (MS Word or PDF format) in your email:

- Contact information (including address, phone, fax, and e-mail) for all presenters.
- Type of presentation (lecture, interactive, video, etc.) and typical audience for presentation
- Abstract of workshop / session (50-100 word description to be used for conference publicity and agendas)
- Detailed description of the workshop / session...may include brochures, literature, etc.
- Biography for the main presenter (approximately 250 words or less) Please do not submit your resume.

**The deadline for submission of all proposals is February 15, 2019.**

## **New Student STEM Outreach Program!**

This year OSPE will provide STEM activities for kids while engineers get their PDHs. Since it's summer time and kids will be out of school, consider bringing your kids or grandkids to the conference.

**ACTIVITIES:** Kids will help build small robots, computer motherboards, and other attention grabbing activities.

**MEALS:** Kids will join the engineers during meal times.

**COST:** The cost will be \$50 per child (includes conference registration, meals, and consumables).

**AGES:** Unless accompanied by an adult, the lower age limit is 10 years old. If a parent is willing to attend the STEM classes with the child there is no lower age limit.

**SPONSORSHIPS:** If you or your company would like to

**SPONSORSHIPS:** If you or your company would like to sponsor a child, we will use that opportunity to help advertise your company. If your company would like to provide logo shirt or logo hat for a child (with or without sponsorship) that would also be appreciated too.

### **Questions about the STEM Activities?**

Contact Travis Keener, PE at [travis.keener@hydrationengineering.com](mailto:travis.keener@hydrationengineering.com) (918)-440-0136, or Richard Willoughby at [okpe21105@gmail.com](mailto:okpe21105@gmail.com) (405)-274-9570.
