

OKLAHOMA SOCIETY OF PROFESSIONAL ENGINEERS

**Call for Student Posters
2019 Oklahoma Engineering Conference
June 20-21, 2019
Metro Technology Center
1900 Springlake Dr., Oklahoma City, OK 73111**

Deadline to Submit Proposals: May 15, 2019

The Oklahoma Society of Professional Engineers (OSPE) is sponsoring a poster presentation for students in ABET-accredited engineering programs. The intent of the program is to provide an opportunity for engineering students to gain experience and exposure by presenting a topic of interest in any area of engineering practice.

- Submit abstracts and this form via email to: ospeinfo@ospe.org
- Both files must be submitted in MS Word format or PDF
- Maximum poster size 40" x 26" (larger posters will not qualify)
- **Posters must be on appropriately sized foam board to be placed on easels.**
- Abstract word limit: 300 words maximum
- EVERYONE must register for the conference online at www.ospe.org in addition to submitting abstracts and submission forms via email.
- Once you submit your proposal, you will receive registration information.

***Please note:** Students who present the poster and present for the judging session receive a free registration for that day of the Oklahoma Engineering Conference. Please contact OSPE before registering.*

1. Name(s) of Presenters with University and Department Affiliations for Each:

2. Lead Presenter's Email Address:

3. Title of Poster:

4. Please include the following:
